LIFEGUARD TECHNOLOGIES SUPPLIES LPG PROPANE HOSES TO AMERIGAS PTI

SPRINGFIELD, PA. __ Lifeguard Technologies, Inc., makers of patented and patent pending industrial safety hoses, has entered into a contract to supply AmeriGas Propane L.P., a Delaware Limited Partnership their requirement of LPG Safety Hoses.

The agreement provides LifeGuard Technologies, which specializes in the delivery of gas solutions and technologies to a wide range of industries, to supply on a direct basis to Amerigas LifeGuard's patented and patent pending safety hoses.

“We are very gratified to be working with Amerigas on this program. After several years of study and experience, they have come to embrace our safety technology and economic value proposition that we seek to provide to the LPG Industry.,” said Andy Abrams, executive vice president for LifeGuard Technologies. “As the inventors of our industry’s first safety based hose system, we have always placed an emphasis on safety and innovation and there is no doubt by virtue of this commitment that AmeriGas is at the forefront of implementation.”

About LifeGuard Technologies
