

Press Release

LifeGuard Technologies Establishes Middle East Service Center in Cairo Egypt

LifeGuard Technologies is pleased to announce a new branch office in Cairo, Egypt to be known as LifeGuard Technologies – Middle East. The increased presence in the Middle East region is in line with LGT's global geo-expansion strategy, an initiative aimed at strengthening the company's presence in growth markets around the world by providing its patented and patent pending technology, services and solutions to an expanding base of customers and partners.

The Middle East Office is being headed up by Hassan Bayoumy. Mr. Bayoumy is a Mechanical Engineer who brings more than 20 years' commercial expertise in Middle East including the last 14 years' was working in Air Liquide-Egypt.

“LifeGuard Technologies is placing a strong emphasis on investment in the Middle East as we recognize the opportunities presented by high growth rates and an increasingly safety oriented market. Our expansion strategy in the region is significant and ongoing, and having Mr. Bayoumy leading our efforts is a great compliment to our already global footprint.” said Andy Abrams, Executive Vice President.

About LifeGuard Technologies

LifeGuard Technologies is formed to take the next steps by providing, on a geographical basis, reliable, readily deployable and cost effective improvements in industrial safety. As the name declares we are a Global Company that is based upon the extensive experience of its founders and joint venture partners and believes that significant and measurable enhancements to industrial safety are achieved with deployment of “passive devices”. The essence of our mission is to increase the safety of all operations and facilities through the deployment of systems such as the "LifeGuard Safety Hose" and others. The Middle East Office Address is LifeGuard Technologies - Middle East, 26 Hassan Hamed, Nasr City, Cairo 11528 PO Box 209 Rehab 11841, Egypt Landline +20 11 1606 9500 Mobile +20 11 1804 5556 Fax +20 2 2471 8764, e-mail HBayoumy@lifeguard-tech.com.
