

Press Release

Martin Doyle joins LifeGuard Technologies as General Manager- Ireland

LifeGuard Technologies is pleased to announce that Marty Doyle has joined Lifeguard Technologies as General Manager - Ireland. Marty a former director at Dublin Engineering with 30+ years experience, brings a career in the Chemical Pharmaceutical and Petro-Chemical industry to LifeGuard. Marty's primary responsibilities will be generating new growth in the Irish market, implementing and managing the sales activities, identify new market opportunities and define the actions required to bring a new dynamic to the Irish market.

Marty remarked, "I'm delighted to join the Lifeguard Technologies team as General Manager for Ireland". LifeGuard Technologies is poised for continued growth as it builds upon its long history in the safety technology market combined with its global delivery capabilities. In today's market, there are significant changes taking place with regard to the interaction between buyers and sellers, which is forcing sellers to think differently about how they approach the market. LifeGuard technologies' programs provide our market with a cost-effective way to increase safety while still providing high local service levels.

Andy Abrams, Executive Vice President of LifeGuard Technologies, commented, "Marty brings a career in the chemical pharmaceutical and petrol chemical industry with a keen focus on the Irish market and his unique skills will be a great addition to our team and the company. We wish him an excellent integration and success within the LifeGuard Technologies team."

About LifeGuard Technologies

LifeGuard Technologies is formed to take the next steps by providing, on a geographical basis, reliable, readily deployable and cost effective improvements in industrial safety. As the name declares we are a Global Company that is based upon the extensive experience of its founders and joint venture partners and believes that significant and measurable enhancements to industrial safety are achieved with deployment of "passive devices". The essence of our mission is to increase the safety of all operations and facilities through the deployment of systems such as the "LifeGuard Safety Hose" and others. Martin Doyle's email is m.doyle@lifeguard-tech.com.
